About Us

Gulf Facilities General Trading Company W.L.L. was founded in 2017 with a paid up capital of 500,000 Kuwaiti Dinars, to serve the ever demanding Renewable Energy, Oil, Gas & Power Industries in Kuwait and in the Middle East. Gulf Facilities continues to dedicate itself to being ahead of others in the field of Life Support Services, Contracting, Vehicle & Equipment Leasing, Furnished/Non-Furnished Apartments & Commercial Spaces, Manpower Support, Sponsorship Services, Logistics & Security Services, Catering Services, etc.

Gulf Facilities has been providing supplies and services to various business organizations in Kuwait, Iraq, Qatar and Afghanistan. Keeping up the zeal to excel, our Contracting and Fabrication Division has executed several Civil works and Mechanical Fabrication Projects for Oil, Gas and Power Industries as well as the Kuwait Private Sector organizations.

Our Trading Division has supplied wide range of materials to the Oil, Gas and Power Industries and United States military sub contractors in Kuwait, Iraq and Afghanistan through our clients.

Gulf Facilities has Professional Associates in the United States, United Kingdom, United Arab Emirates, Qatar and India who form an integral part of our operations.

Gulf Facilities along with our global partners has shown efficiency in providing highly qualified and professional human resources from India, Bangladesh, Sri Lanka, Nepal, Philippines etc. thus becoming an active partner in the global growth of its client organizations.

Gulf Facilities provides a wide range of support services and in-country assistance to government agencies, contractors and non-governmental agencies working in the Middle East. Whether you're looking for manpower support, sponsorship services, vehicle & equipment leasing, shipping and procurement assistance, short-or long-term housing, or assistance establishing an office or warehouse space, Gulf Facilities General Trading Co. WLL has the experience and resources to meet all your in-theater needs. Plus, our top management ensures a high level of customer service and communication which ultimately lead to total customer satisfaction for our clients.

Vision / Mission / Values

Janitorial Services

Our commercial cleaning division is performing for various companies of small, medium, to large establishments. We have specialized in cleaning and maintaining services of various specialities, from restaurants, Hypermarkets, a wide range of offices, and a variety of others since 2017.

We provide expert professionals to deliver excellent service and you can depend on us at any time. We are the best at providing high standards in cleaning services using leading technologies for customers. An expert cleaning team is efficiently trained professionals who acknowledge and understand the real meaning of cleaning. It's not only about what our clients see but also about how they feel.

Other provided value-added services involve conducting inspections after the whole janitorial cleaning services are finished which brings us to a whole new level.

We provide all types of cleaning (initial and contractual cleaning) such as cleaning of floors, walls, window frames & glass, furniture & fixtures, kitchens, toilets, staircases, railings, corridors, and surrounding areas – at Camps, Complexes, and Buildings.

The best way to ensure cleanliness at your place is possible only by hiring our team. For several years, we have established ourselves as a trusted name in contract-free professional housekeeping. We encourage you to give us, as many instructions as you'd like, so our housekeepers can build a plan tailored to our client's requirement.

There are a number of housekeeping services that can be added to your regular cleaning plan, including oven cleaning, refrigerator cleaning, and the changing of your bed linens. We recommend contacting us, to ensure the services are offered.

Realestate

Furnished/Non-Furnished Apartments & Commercial Spaces

No matter what your accommodation requirements, Gulf Facilities can provide a comprehensive accommodation solution. With an in-depth knowledge of local leasing markets and on-the-ground real estate experts, Gulf Facilities provides flexible lease options with affordable rates.

Accommodations

Gulf Facilities can provide furnished/non-furnished apartments and villas, based on the specific requirements of our clients. No matter what your housing needs, Gulf Facilities can meet your requests and requirements. We offer affordable leases on a wide selection of luxury apartments and villas throughout the Middle East. To accommodate varying lengths of stay, we provide a variety of short- and long-term lease options.

Office Leasing

Whether you're establishing a full-time project or start-up office, Gulf Facilities's turnkey solutions will meet all your office needs. Freeing employees from the minutia of office set-up can ease transition and speed project progress. Depending on your space needs, Gulf Facilities can secure affordable lease options on a single office or large office suite. We also provide office support, including clerical staff, technical support and linguists. Our familiarity with local projects and headquarters can ensure your office space is conveniently located, thereby reducing unnecessary travel times and improving employee safety.

Manpower Support Services

Gulf Facilities is dedicated to offering solutions for your organization’s human resource challenges. Whether you need ongoing manpower support or assistance with a specific project, **Gulf Facilities** is well-suited to provide exactly what you need without any hidden fees.
